

**GUMEI HIGH-END  
PRODUCT SYSTEM 2025**

# ABOUT US

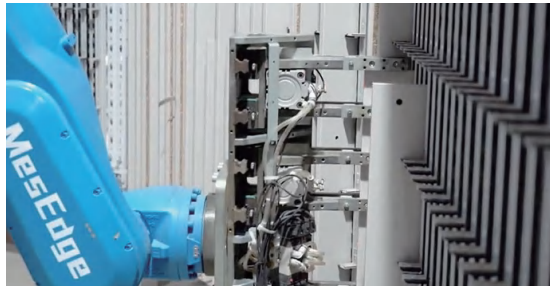

Foshan Gumei Aluminum Art Building Materials Co., Ltd. is a domestic aluminum art enterprise with a certain scale and a complete industrial chain, We have a core technology research and development team, design team, systematic production workshop, and a huge sales system.

Main products include custom whole-house woodworking, aluminum railings, sunrooms, aluminum alloy glass, and other indoor and outdoor architectural furniture.

Equipped with 12 intelligent and automated panel furniture product lines, a 60,000 m<sup>2</sup> woodworking factory, and a 6,000 m<sup>2</sup> showroom, Gumei utilizes modern digital intelligent production, systematic design and production, and Industry 4.0 intelligent manufacturing to achieve front-end and back-end digital integration.

# OUR FACTORY

A modern minimalist living room with a white sofa, a coffee table, and a large window. The room features a clean, white color palette with subtle textures and a large window on the left side. The ceiling has recessed lighting, and the overall atmosphere is bright and airy. The text "MODERN MINIMALIST SERIES" is overlaid in the center of the image.
